

1 these introduced for the jury.

2 THE COURT: Hand them to the bailiff,
3 please.

4 MR. CARROLL: Your Honor, I believe
5 that's all the questions I have at this time. We would ask
6 -- reserve the right to recall the Doctor at a later time.

7 THE COURT: Mr. Potter.

8 MR. POTTER: Your Honor, if -- I might
9 just use 30 seconds or a minute to compose my notes for
10 cross-examination.

11 CROSS-EXAMINATION

12 MR. POTTER: Q Doctor, if you'll
13 forgive me, I may a jump around in your testimony from the
14 first to the last but I'm not trying to confuse you. If I
15 say something to you that confuses you, it's only because of
16 my ignorance of medical terms. If you will just ask me to
17 amplify or explain my question, I'll be more than happy to.

18 Doctor, back to the last of your testimony, you were
19 talking about testing of this child's anus, and there was
20 nothing in that testing to indicate that anything large --
21 for instance, the size of a normal erect man's penis, had
22 gone in there; is that right?

23 A Yeah, there was no evidence --

24 Q All right.

25 A -- that, that happened.
